

FUELS REDUCTION SMALL GRANT APPLICATION

Deschutes County Rural Fire Protection District #2 (DCRFPD#2) offers grants for the purpose of providing assistance to groups or individuals who will use the funds for mitigation to reduce wildfire risk within the boundaries of the fire district. These funds are administered by the DCRFPD#2 Board of Directors. Examples of uses may include:

- Disposal fees
- Hauling fees and dumpsters
- Volunteer expenses such as refreshments, transportation and food
- Mailing or advertising expenses to promote a neighborhood event
- Fuels modification

To be considered for a small grant, please fill out the application below and return to:

DCRFPD#2
Small Grant Program
1212 SW Simpson Ave.
Bend, OR 97702

The Board of Directors along with the Executive Director will evaluate each request. A site visit will be conducted. Recommendations to the application may be made for the Board to further consider. Grantees will need to leverage grant funding through matching resources. Financial contributions and projected volunteer hours for a project will count as a match. Preference will be given to projects that provide the greatest good for the greatest number of people. FireWise USA® Sites will also be given higher priority. Upon approval from the Board, a check will be issued for the award amount following submission and verification of receipts.
